2. We take notice of the fact that as on 16.10.2025, 8,82,578 execution petitions were pending across the country. We also take notice of the fact that after our directions dated 06.03.2025 issued in the main matter, 3,38,685 execution petitions were heard and disposed of.

3. The position as on date appears to be very frightening and disappointing. We say so because as on date 7,95,981 execution petitions are pending across the country which are six months old. However, we also appreciate that after our last order dated 16.10.2025 referred to above, 4,31,046 execution petitions have been decided and disposed of. Thus, from the date of the judgement rendered in the main matter i.e. 6-03-2025 till this date in all 7,69,731 execution petitions have been decided and disposed of.

4. We also take notice of the fact that in the State of Uttar Pradesh, 26,943 execution petitions are pending out of which in 3,057 matters execution proceedings have been stayed by the superior courts. In the same manner, in the State of Maharashtra, out of 3,95,960 execution petitions pending, the proceedings have been stayed in 11,966 matters. In the State of West Bengal, out of 28,192 execution petitions, in 1,008 matters proceedings have been stayed. In the State of Madhya Pradesh, out of 50,579 execution petitions, in 2,537 matters proceedings have been stayed.

5. We request the Hon'ble Chief Justices of Allahabad High Court, Bombay High Court, Calcutta High Court and Madhya Pradesh High Court respectively to look into the matter and see to it that the proceedings which have been stayed either by the district court or

the High Court itself are taken up for hearing at the earliest so that there is no undue delay in the effective disposal of the execution proceedings.

6. In our order last order dated 16.10.2025, we had observed that the High Courts should evolve some mechanism and guide their respective district judiciaries for speedy disposal of execution petitions which are pending as on date. We wonder, if the High Courts have evolved some mechanism or have provided some procedure in the form of guidance to their respective district judiciaries for effective and speedy disposal of the execution petitions.

7. By the next date of hearing i.e. 07.10.2026, each of the High Courts shall let us know in brief as regards the mechanism evolved or the type of directions issued to their respective district judiciaries for effective and speedy disposal of the execution petitions.

8. Post this matter to report further progress on 07.10.2026.

9. Registry shall forward one copy each of this order to the Registrar General of all the High Courts who in turn shall place this order before the Chief Justice.
