UPON hearing the counsel the Court made the following
O R D E R

We are not inclined to accept the affidavit filed by the State Election Commission seeking to once again effectively postpone holding of elections. Learned counsel for the State Election Commission submits that the consent of the State Government is required for holding it and learned Advocate General states in Court that they will abide by whatever the State Election Commission does. We have clearly put to them that the election process has to be completed and results declared before the end of

January, 2023. Accordingly the schedule to be worked out.

List for reporting compliance on 13th February, 2022
