A SEMINAR ON KAUTILYA'S ARTHASHASTRA

CONCEPT NOTE

Aanvikshiki is an national seminar on unlocking the knowledge of Kautilya's Arthashastra. Arthashastra, as penned by Kautilya, is a timeless treatise on statecraft, politics and economics. Composed of 18 books, the Arthashastra delves into a vast array of governance principles. From the nature of government, law, and judicial systems to ethical considerations, economic theory, marketplace dynamics, and diplomatic tactics, it offers a comprehensive guide for effective leadership. Notably, the treatise explores warfare strategies alongside the nuances of peacebuilding, emphasising the responsibility of a king toward his subjects.

Aanvikshiki aims to provide a platform to students, scholars and researchers to raise discourse on India's timeless treatise on statecraft and rejuvenate its significance among the Indian youth. This international seminar aims to further recognition of the wisdom of ancient Indic texts and their contemporary relevance.
