

PRESS NOTE

On 19-10-2023, Hon'ble Sri Justice Alok Aradhe, the Hon'ble Chief Justice for the State of Telangana has inaugurated the Digitization Wing in the newly constructed fourth floor of the C Block in the presence of the Hon'ble Judges and other law officers of the High Court.

The work of Scanning and Digitization of Judicial and Administrative records of the High Court for the State of Telangana has commenced on 15th September, 2017 through **M/s. Stock Holding Document Management Services Limited, Mumbai** in the C-Block of the High Court Buildings with all the required manpower, software and hardware. Initially, 12000 sq feet space has been provided in the first floor of the C Block of the High Court for the purpose of digitization of records. The total number of disposed of cases of the High Court is estimated at 30 lakhs approximately and the pending cases are estimated at 2.75 lakhs. On an average 1200 cases are being digitized per day. 12 lakh case files amounting to more than 8 crore images are scanned as on 17-10-2023.

The newly inaugurated Digitization wing is provided with 15000 sq. ft. With the additional space provided and increase in scanners and manpower, it is expected that 2500 case records will be digitized per day.
