# **JUDGMENT**

# **BECHU KURIAN THOMAS, J.**

Petitioner seeks for a direction to respondents 1 to 3 to consider allowing a stop for the 'Vande Bharat Train Service' at Tirur Railway Station at Malappuram District.

2. The petitioner is a practicing lawyer before this Court. He alleges that even though there was a proposal to allot a stop for the new train named 'Vande Bharat' at Tirur, without any reason, the proposal did not fructify. It is alleged that despite Malappuram being densely populated and large number of people depend on train services for their travel purposes, a stop has not been allotted for the Malappuram District. According to the petitioner, the failure to allot a stop at Tirur Railway Station is an injustice to the entire people of Malappuram and therefore ignoring their requests and demands causes great prejudice. 3

3. On a consideration of the contentions advanced by Sri.A.Abdul Rahman, learned counsel for the the petitioner, we are satisfied that no public interest is espoused in the writ petition nor is the matter involved in this lis justiciable.

4. The stops to be provided for a train is a matter that has to be determined by the Railways. No person has a vested right to demand that a particular train should stop at a particular station. Moreover, like the petitioner, if every individual or public spirited person in every district, starts clamouring or demanding a stop to be provided at a Railway Station of his/her choice, the purpose of setting up high speed trains would itself be lost. Railway stops are not to be provided on demands based on personal or vested interests especially for high speed express trains like Vande Bharat train. If stops are provided on demand by public, the term express train will itself become a misnomer.

5. Further, the Courts cannot interfere in the matter of providing stops for railway trains, as that is a matter purely within the discretion and jurisdiction of the railways. Providing railway stop for the Vande Bharat train at Tirur, Malappuram is therefore not justiciable.

In the above view of the matter, we find no reason to entertain this writ petition and the same is dismissed in limine.
