3. Taking one part of the aforesaid chart, this Court noticed that in the year 2023-24, a budgetary provision to the tune of Rs.127 crores was made by the State in the budget and about Rs.190 crores budgetary provision was made by the Union of India, which amounted to about Rs.317 crores. Out of the total budgetary provision, the State has released only about Rs.40 crores and the Centre has released only about Rs.60 crores, amounting to Rs.100 crores, whereas rest of the amount is yet to be released.

- 3.1. It is further noticed that in last ten years i.e. 2014-15 to 2023-2024, a budgetary provision to the tune of Rs.693 crores has been made by the State and about Rs.871 crores has been made by the Centre, amounting to a total of Rs.1911.65 crores (as indicated in the above table). In furtherance, out of the said total budgetary provision, the State has released about Rs.320 crores, whereas the Centre has released about Rs.360 crores, amount to a total of Rs.829.20 crores. It is pertinent to mention here that the State's affidavit clearly indicates that out of budgetary provision, in last ten years, average usage/release has been only to the extent of 43.38 percent.
- 4. In the understanding of this Court, it is agonizing to see that out of the budgetary provision, which comes only after the experts at the State and Centre have applied their mind, only 43 percent, as mentioned above, has been released, resulting into stalling of many of the vital projects including Court buildings and Advocate Chambers. The aforesaid proposition is about the Centrally Sponsored Scheme (CSS).
- 5. The same affidavit also contains details of the second component, which is 100 percent to be contributed by the State Government, which is at page 23 of the affidavit, which also reflects that for the year 2023-24, Rs.61/- crores were allocated in the budget, whereas about Rs.20/- crores have been released and out of Rs.422/- cores budgetary provision in last ten years, only Rs.220/- crores have been released by the State. The said details of the second component as contained in the affidavit are reproduced as hereunder:-

वर्ष 2014—15 से 2023—24 तक राजस्थान उच्च न्यायालय जयपुर एवं जोधपुर के निर्माण एवं राजस्थान राज्य न्यायिक अकादमी जोधपुर के निर्माण (100 प्रतिशत राज्यांश) के सबंध में बजट प्रावधान एवं व्यय का वर्षवार विवरण :—
