s) Following are the details of the Resolution Applicant:

Brief Profile:

Promoter is Mrs. Girija Agarwal of the company which is registered as Micro Small and Medium Enterprises. The Director has hands-on skills and experience to operate the said plant at the present operating levels.

Sector expertise and strength to Turnaround Sick Companies

The Key reason to turn the unit into a Sick Company was unviability of the operation due to increase in operating cost of the Company which involve transportation of RM from outside state. The burden to pay up incremental finance costs without attaining the optimal operational capacity further deteriorated the Company's condition.

Strength to turnaround the Company:

- Promoter Experience
- Intensified Sponge Iron Demand
- Change in Price scenario. Increase in Steel prices.
- Better government policies for Steel sector
- Expected change in regulatory framework
- Investment of addition working capital at low interest rates
- Reduced financial burden

- Incremental synergy from ancillary production unit

Financial Tie Up

The revised Resolution Plan proposes financial consideration as upfront payment in place of staggered payment over five year as proposed in previous plan. The RA has arranged the proposed resolution consideration from family and friends with an option to provide equity share against the unsecured loan, again reducing the interest burden.

- t) Hence, the Applicant prays as follows:
- To exclude the period of 183 days from the CIRP period owing to the Lockdown declared by the Government of India, State Government of Maharashtra, the Suo moto order passed by the Hon'ble NCLAT dated 30.03.2020 and the notification issued by the IBBI dated 29.03.2020.
 - Therefore, to grant an additional period of 183 or such number of days including the Lockdown period continued to be imposed in the State of Maharashtra, to the CIRP period on account of it being excluded from the CIRP period so far.
 - To allow the Applicant to withdraw the Liquidation Application being IA No. 241 of 2021 filed under section 33 on 09.10.2020 before this Tribunal.
 - Pass an order ratifying the 8th meeting of the CoC held on 26.02.2021 and the resolution passed therein; and

- v. Pass an order and approve the Resolution Plan proposed by the Resolution Applicant which has is been approved by the CoC and which shall be binding on the Corporate Debtor and its employees, members, including the Central Government, any State Government or any local authority.
 - vi. Pass any further or other order which this Tribunal deems fit and appropriate in the interest of Justice.
3. The Applicant has filed its Additional Affidavit as submits as under:
- a) during the pendency of the present Resolution Plan before this Hon'ble Tribunal, the Hon'ble Apex Court in the matter of Sales Tax Officer v/s. Rainbow Papers Ltd. (CA 1661-2020) (hereinafter referred to as 'Rainbow Papers') decided the issue with respect to priority of charge and payout to the Sales Tax Department of Gujarat. It is in these circumstances the present Affidavit is filed to place on record that there is no impact of the said judgment in the present case and the values assigned in the resolution plan will not undergo any change as far as the present case is concerned.
 - b) As far as the judgment is concerned, it will not have any retrospective effect on the matters which are already sanctioned. However, without prejudice to the same, there is no impact in the present case for the reasons set out herein below:
 - i. In the present case, the Commercial Tax Department through the Commissioner of Commercial Tax had filed its claim vide a letter dated May 5, 2020.

-
- ii. In the said letter, the claim is made in respect of following dues:
- a) VAT dues;
 - b) CST dues; and
 - c) Entry Tax dues.
- iii. As far as VAT dues are concerned, the claim is for Rs.5.91 crores along with interest penalty aggregating to Rs.7.55 crores.
- iv. As far as CST dues is concerned, the claim is for Rs.1.61 crores along with interest penalty aggregating to Rs.1.83 crores.
- v. As far as Entry Tax dues is concerned, the claim is for Rs.73.24 lakhs along with interest penalty aggregating to Rs.1.04 crores.
- vi. As per the letter issued by the concerned Commissioner, these dues are to be recovered as per the provisions of:
- a) Goa Value Added Act, 2005
 - b) Central Sales Tax Act, 1956
 - c) Goa Tax on Entry of Goods Act, 2000.
- vii. The Hon'ble Apex Court in the case of Rainbow Papers (*supra*) was taking into consideration Section 48 of Gujarat Value Added Tax Act, 2003 (hereinafter referred to as "GVAT Act"). In the case of Rainbow Papers, the Hon'ble Apex Court has held that Section 48 of GVAT Act creates a priority first charge on the assets of the dealer and accordingly the department will have to be considered as a secured creditor.

Therefore, the department will be entitled to the liquidation value treating it as a secured creditor and not as an operational creditor.

- viii. In order to consider this, Section 48 of the Gujarat Value Added Tax Act is reproduced herein below first:

“48. Tax to be first charge on property. — Notwithstanding anything to the contrary contained in any law for the time being in force, any amount payable by a dealer or any other person on account of tax, interest or penalty for which he is liable to pay to the Government shall be a first charge on the property of such dealer, or as the case maybe, such person.”

- ix. Section 66 of the Goa Value Added Tax Act:

“66. (1) Every dealer, who is liable to pay tax shall send a declaration in such form, within such period and to such authority as may be prescribed, stating therein the particulars of the Bank accounts operated by him in connection with his business and shall within the period prescribed, intimate to the authority the changes in the particulars in the declaration.

(2) If the dealer fails to intimate to the authority the changes in the particulars in the declaration referred to sub-section (1), the Commissioner may, after giving an opportunity of being heard to such dealer, by order in writing, impose a penalty of a sum not exceeding rupees ten thousand.”

This provision is distinct from Section 48 of GVAT Act. GVAT Act creates a priority, similarly this Act also creates a priority. However, under the Goa Act, this priority is subject to provisions under the Central Act. In such a case, the provisions of any other Central Act will prevail. The Central

Act, being Insolvency and Bankruptcy Code, 2016, creates priority in favor of secured creditors and workers. The dues of Goa Value Added Tax will be subservient to the secured creditors and workers. Therefore, the treatment given in the present case to the Value Added Tax demand is concerned is appropriate and in accordance with law.

- x. Even in case of liquidation, the VAT dues will be subservient to the dues of secured creditors and workers as the section itself says that it is subject to provisions of Central Act. Accordingly, the plan is in compliance and in accordance with law.
- xi. The next provision which falls for consideration is of Central Sales Tax Act, Section 17(3), in fact the provision in this act provides that the other priority in case of liquidation are the other creditors having priority to be paid first. There is no other provision which the Deponent came across which creates priority for Central sales tax dues. The relevant part of Section 17(3) is reproduced herein below:

“17. Company in liquidation. —

(3) The liquidator shall not part with any of the assets of the company or the properties in his hands until he has been notified by the appropriate authority under sub-section (2) and on being so notified, shall set aside an amount equal to the amount notified and, until he so sets aside such amount, shall not part with any of the assets of the company or the properties in his hands:

Provided that nothing contained in this sub-section shall debar the liquidator from parting with such assets or properties in compliance with any order of a court or for the purpose of the payment of the tax payable by the company under this Act or for making any payment to secured creditors whose debts are entitled under law to priority of payment over debts due to Government on the date of liquidation or for meeting such costs and expenses of the winding up of the company as are in the opinion of the appropriate authority reasonable.”

- xii. In View of the above, there is no priority created for Central Sales Tax Act like Gujarat Act and therefore the treatment given to the CST dues is in accordance with law and the plan is in conformity with law.
- xiii. The third claim is of Entry Tax. This is governed as stated hereinabove by Goa Tax on Entry Goods Act, 2000. The provision for priority in the said Act is Section 19(2) (i). The same is reproduced herein below for reference:
- “19. Payment and recovery of tax. —*
- (2) If default is made in making payment in accordance with sub-section (1), — (i) the whole of the amount outstanding on the date of default shall become immediately due and shall be a charge on the property of the person or persons liable to pay tax under this Act; ...”*
- xiv. It is submitted that though a charge is created under 19(2)(i) but no first charge is created. Therefore, even this claim will not stand, and the plan is in conformity and the payment allocated is in accordance with the judgment of Hon'ble Supreme Court.

- xv. The judgment in the case of Rainbow Papers will not be applicable to the present facts and circumstances as the provisions under the three Acts which relates to this Corporate Debtor do not have any provision which is *pari materia* to Section 48 of the Gujarat Act and therefore there is no such priority which is created.
4. The Applicant submitted that the Compliance Certificate in Form - H under Regulation 39(4) of the Regulations showing the compliances of the Plan as mandatorily required under the Code and Regulations and that the Plan had been approved by the CoC which is produced as hereunder:
