Civil Application (CAW) No. 551/2021

- 6. As regards this application, we find that the application suppresses material facts relating to the observations and findings recorded by this Court in the order dated 24.03.2021. Necessity of disclosure of these facts could be gauged from the prayers of the applicant.
- 7. The applicant prays for issuance of a direction to respondent no. 8 for issuance of admission card to the petitioner to enable her to appear at Seventh Semester Electronics and Telecommunication (New) CBS Winter 2020 Examination commencing from 25.03.2021 and permit the petitioner to appear in the said examination.

Other relief sought in this application is as regards
issuance of enrollment number to the petitioner to enable
her to appear in the said examination.

- 8. These reliefs have been specifically asked for by Mr. Abdul Subhan, learned Counsel for the petitioner, who up till now used to appear and he had in fact argued the case for the petitioner on 24.03.2021. These reliefs were rejected by this Court by passing a speaking order passed on the same day of 24.03.2021. But these facts, as stated earlier, are not averred anywhere in the application.
- 9. Of course, learned Senior Advocate submits that the rejection of similar prayers was orally pointed out by him to the Bench, which heard this application initially on 21.05.2021. However, such pointing out by the learned Senior Advocate has not been reflected in the order dated 21.05.2021, rather, the Bench passed an order of issuance of notice to the respondents, returnable in the 2nd week of June, 2021.
- 10. All these facts and concealments give a prima facie impression that as there was a change of Bench

during Summer Vacation, the petitioner may have taken her chance before another Bench in spite of rejection of her similar prayer by this Bench on 24.03.2021. Such attempt on the the part of the petitioner is improper. If the petitioner was really aggrieved by the order dated 24.03.2021, the petitioner could have approached the Hon'ble Apex Court challenging the same or atleast could have filed a review application before this Court. But, the petitioner did not do so and took her chance by making a similar prayer with concealment of material facts from the another Bench. Such an attempt on the part of the petitioner deserves to be repelled forthwith.

- 11. Apart from what is stated above, even on merits, this application containing nothing but repetition of earlier submissions, which were considered and rejected by this Court, is not maintainable and thus cannot be allowed by this Court.
- 12. The Civil Application, therefore, stands rejected with costs of Rs.5,000/-.
