VII. To pass any other order or direction for welfare of the people of the transgender community keeping in view of the poor and unstable financial condition specially during the current scenario.

Petitioner invites our attention to the alleged pitiable state of affairs of the transgender in the State of Bihar. Allegedly, the community is being ostracized, more so in the times of the current outbreak of Pandemic Corona Virus.

On the other hand, Sri Ajay, learned Government Advocate No.5, appearing for the State of Bihar (Respondent Nos.1 to 3) clarifies that the Government has made provision for providing ration to all the members of the community in the State of Bihar, irrespective of the fact as to whether they are possessing any ration card or not.

If that were so, we appreciate such concern of the State towards the members of the community.

Be that as it may be, it is a matter of record that as per the National Consensus of 2011, there are more than 40,000 (forty

thousand) members of the transgender community in the State of Bihar and perhaps, at this point in time, they may be facing certain problems, social and/or economic.

The Transgender Persons (Protection of Rights) Act, 2019 (hereinafter referred to as 'the Act') was enacted to provide for protection of rights of transgender persons and their welfare and for matters connected therewith and incidental thereto.

As per the Act, no person or establishment shall discriminate against a transgender in the matter of education, employment, occupation, health, enjoyment of goods, accommodation, services, facilities etc. In fact, by virtue of the provisions contained in Chapter III thereof, identity of the transgender persons stands recognized with a right to have proper record maintained by the authorities. Section 8 mandates the appropriate authority, which in the instant case, as per definition (Section 2) would be the State, is required to take certain welfare measures. For ready reference Section 8 reads as under:-

**“8. (1)** The appropriate Government shall take steps to secure full and effective participation of transgender persons and their inclusion in society.

(2) The appropriate Government shall take such welfare measures as may be prescribed to protect the rights and interests of transgender persons, and facilitate their access to welfare schemes framed by that Government.

(3) The appropriate Government shall formulate welfare schemes and programmes which are transgender sensitive, non-stigmatising and non-discriminatory.

(4) The appropriate Government shall take steps for the rescue, protection and rehabilitation of transgender persons to address the needs of such persons.

(5) The appropriate Government shall take appropriate measures to promote and protect the right of transgender persons to participate in cultural and recreational activities.”

Before we issue any further direction, we issue notice and direct the State to positively file its response through an affidavit of the Chief Secretary, Government of Bihar dealing with each one of the averments made in the petition, and more specifically, with regard to the preparation of the Scheme for grant of monthly pension to the members of such community.

Also the State shall consider providing a Facilitation Centre- a one Point Centre dealing with all problems- for the members of the community at the grass root level, which can be similar to the Anganwari system prevalent in the State of Bihar.

As prayed for, response through an affidavit of the Chief Secretary, Government of Bihar be positively filed by 7<sup>th</sup> of May, 2020. Rejoinder, if any, to the same be filed before the next date of hearing.

List on 11<sup>th</sup> of May, 2020.
