**CORAM: HON'BLE MR. JUSTICE ADARSH KUMAR GOEL, CHAIRPERSON  
HON'BLE MR. JUSTICE SHEO KUMAR SINGH, JUDICIAL MEMBER  
HON'BLE DR. NAGIN NANDA, EXPERT MEMBER**

**ORDER**

1. This matter has been taken up *suo-motu* on the basis of media reports<sup>1</sup> to the effect that leakage of hazardous gas, Styrene, took place at 03:45AM on 07.05.2020, from a chemical factory owned by the South Korean company LG Polymers India Pvt., Limited, R.R. Venkatapuram village, Pendurthy Mandal, Vishakhapatnam resulting in death of 11 persons and hospitalization of more than 100 people of whom at least 25 were reported to be serious. These fatalities and injuries are reportedly likely to increase. More than 1000 persons are reported sick. There is also damage to environment and habitat. The media reports give rise to a substantial question of environment, which needs to be gone into by this Tribunal under Sections 14 and 15 of the NGT Act, 2010.

2. Styrene gas is a hazardous chemical as defined under Rule 2(e) read with Entry 583 of Schedule I to the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989. The Rules require on-site and off-site Emergency Plans to ensure prevention of damage. There appears to be failure to comply with the said Rules and other statutory provisions. Leakage of hazardous gas at such a scale adversely affecting public health and environment, clearly attracts the principle of 'Strict Liability' against the enterprise engaged in hazardous or inherently dangerous industry. Such an entity is liable to restore the damage caused under the Environment Law, apart from other statutory liability. The statutory authorities responsible for authorizing and regulating such activities may also be accountable for their lapses, if any, in dealing with the matter. It is also necessary to ensure that all necessary steps are taken to prevent recurrence of such an incident. Without prejudice to any other proceedings, this Tribunal has to perform its statutory obligation of providing relief and compensation to the victims of "environmental damage", as statutorily enacted, and restitution of damaged property and environment. With a view to deal with the issue, it is necessary to ascertain the facts relating to the extent of damage, extent of failure and consider remedial measures. The affected parties have to be given the opportunity of being heard.

Accordingly, we issue notice to Andhra Pradesh State PCB, District Magistrate, Vishakhapatnam, Central Pollution Control Board (CPCB), Ministry of Environment, Forests & Climate Change (MoEF&CC) and LG Polymers India Pvt., Limited.
