

To,

Hon'ble Mr. Justice Dhirubhai Naranbhai Patel
Chancellor, National Law University, Delhi.

Subject: [URGENT] NLU-D Vice Chancellor Appointment: Request to convene a meeting of the Governing Council.

Respected Sir,

We, the undersigned, write to your kind self in your capacity as the Chancellor of the University. We wish to bring your attention to the pending issue of the appointment of a new Vice-Chancellor of the University. As your kind self might be aware, a Selection Committee was constituted way back in September 2019 to look for the next Vice-Chancellor of the University. Applications were invited for the position of Vice-Chancellor through a notification dated 11.10.2019. As per the notification, the deadline for applying for the position of Vice-Chancellor was set as 11.11.2019.

Since the above-mentioned notification, the matters have proceeded at a sluggish pace with no transparency. Despite multiple attempts by the student body to engage with the Selection Committee, they have been kept in the dark about the entire process. Despite the passage of over 9 months since its constitution, there is still no timeline regarding the appointment of the next Vice-Chancellor. The snail-paced process attains all the more importance in light of the fact that as per notification dated 20.07.2018 [attached], the tenure of the present Vice-Chancellor would end on 23rd September 2020.

This avoidable delay in the appointment of the new Vice-Chancellor comes at a crucial stage as the institution is faced with multiple decisions involving the interests of the students. Besides formulating the new academic calendar in light of the pandemic, the institution is also faced with key decisions pertaining to the award of course degrees to the graduating Batch of 2020, fee waivers (owing to distance education), smooth conduct of All India Law Entrance Examination (AILET), etc. The administrative delay in the Vice-Chancellor's appointment is likely to adversely affect the above-mentioned issues.

In light of this, we, the undersigned, humbly request you to intervene in this matter and call for a meeting of the Governing Council so that the process of appointment of the Vice-Chancellor can be expedited.
