Shri Swapnil Ganguly, learned Deputy Advocate General submits that this Court in its order dated 17.5.2021 in W.P. No. 8655/2021 (**Shekhar Choudhary Vs. State of Madhya Pradesh and others**) has already issued necessary order to the police directing that no citizen, who is found not wearing mask or not following social distancing norms or not following lockdown conditions, should be subjected to corporal punishment or beating. The policemen should rather counsel people by sensitizing them about the need of following Covid protocols such as wearing mask, following norms of social distancing or abiding lockdown/Corona curfew restrictions. As far as the present case is concerned, the charge sheet has been issued against Respondent No.7 Mahesh Prajapati and Respondent No.8/Gopal Jatt, for taking appropriate disciplinary action.

Taking note of the statement made by learned Deputy Advocate General and without commenting on the merits of the case, we direct the Superintendent of Police, Indore to take appropriate action against the erring police officials on complaints of excesses and beating by police including the one against Respondents No.7 and 8 and take the disciplinary proceedings to their logical conclusion. This Court in this respect reiterates its earlier directions already issued in the order dated 17.5.2021, passed in W. P. No.8655/2021 (**Shekhar Choudhary Vs. State of Madhya Pradesh and others**) that no citizen who is found not wearing mask or not following social distancing norms or not following lockdown conditions, should be subjected to corporal punishment or beating. The policemen should rather counsel people by sensitizing them about the need of following Covid protocols such as wearing mask, following norms of social distancing or

abiding lockdown/Corona curfew restrictions. [WWW.LIVELAW.IN](http://WWW.LIVELAW.IN)
