ABOUT CANONSPHERE

Canonsphere is an innovative platform that focuses on the growth and development of individuals in the legal field. Through engaging events, we provide law students with opportunities to participate in debates, moot courts, blog or article writing, drafting competitions, quizzes, and much more in collaboration with organizations having the same niche.

At Canon Sphere, we are passionate about fostering positive change and empowering individuals to make a difference. We are soon launching startup consultancy services , we will strive to create an environment where ideas flourish and innovation thrives.

ABOUT LIVELAW

Livelaw is a comprehensive legal news portal which is committed to provide honest and accurate news about the legal developments. Livelaw began its journey in 2013 with a vision of making legal reporting more accurate, transparent and accessible to common man . It's our firm belief that more information about the judiciary will make it more transparent and accountable, thereby strengthening its role in a constitutional democracy. We are committed to fact based , non-sensational and independent journalism.

OUR PREVIOUS EVENTS

ABOUT YOUTH PARLIAMENT

Introducing "Vimarsh: Canon Youth Parliament" by Canonsphere, an extraordinary platform designed to empower the voices of the youth and foster meaningful discussions on pressing issues. As a catalyst for change, Vimarsh seeks to engage young minds in a constructive dialogue that transcends traditional boundaries. By providing a dynamic forum, Canonsphere aims to inspire the youth to actively participate in shaping the future.

This event is not just a simulation but a transformative experience where young individuals can articulate their opinions, challenge norms, and explore potential solutions. As Canonsphere believes in the power of informed discussions, Vimarsh encourages ethical considerations and aims to unravel the complexities surrounding fairness, accountability, transparency, and privacy issues in journalism.
